Town Hall
Middletown, NJ 07748

To the Governing Members of Middletown Township,

Honorable Members and Good People of Middletown, we are asking your indulgence and help on a matter that is of nuisance value to you, but of great importance and pride to your next door neighbors of Keansburg.

We, the undersigned, are requesting that you please return the lighthouse that was removed from our shores by the US Coast Guard and deposited on the beach at Leonardo. Why it was done is no longer an issue. We are asking, in your good conscience and spirit of community cooperation, to have it returned to Keansburg, where we can guarantee it will be set in a place of prominence and attended with care and pride.

We, the undersigned, citizens of Keansburg, Middletown and whomever feels a just cause will have been served when when the deed will be done, return the lighthouse to our little town.

Thank you for your considerations.

Signed,
